Crypto Finance launches its first ETPs on the BX Swiss Exchange

As of today, two new ETPs from Crypto Finance are available for trading on the Swiss stock exchange BX Swiss. The first listed ETPs offer investors a diversified exposure to leading crypto projects and the next generation of the internet.

With the new ETPs from Crypto Finance 52 ETPs from 14 issuers are tradable daily on BX Swiss from 9.00 am to 5.30 pm. The two ETPs, CF Crypto Momentum ETP and CF Crypto Web 3.0 ETP, will provide investors with a diversified exposure to leading crypto projects and the next generation of the internet. The CF Crypto Momentum ETP (ISIN: CH1263519394) combines price and on-chain momentum indicators to select actively used crypto protocols, while the CF Crypto Web 3.0 ETP (ISIN: CH1263519386) invests in various verticals of Web 3.0.

Crypto Finance is a leading provider of institutional-grade investment solutions, custody, and brokerage for digital assets, and part of Deutsche Börse Group. Founded in 2017, with a team of nearly 120 employees, Crypto Finance Group is headquartered in Switzerland.

«We are pleased to make Crypto Finance's ETPs available to a broad investment audience via BX Swiss. They offer the opportunity to invest in leading cryptocurrencies and next-generation web projects through a professional investment management service. », says Matthias Müller, Head of Markets & Services der BX Swiss AG.

Stefan Schwitter, Head of Asset Management at Crypto Finance AG, explains: «Both ETPs are multi-coin strategies with more than 10 protocols each, managed and monitored by the investment committee. »

BÖRSE NEU GEDACHT.
